**Mount size** - universal brackets for VESA

mount sizes up to 800mm and 440mm or 600mm high.

Please specify when ordering.

**Construction** - high quality steel with a reliable electric motor

**Mount dimensions** - L 1200 x W 1710 x H 930 mm

**Warranty** - 5 year return to base warranty

A stylish, single column design with near silent telescopic movement (500mm of vertical travel) that includes integrated (and hidden) power distribution as standard.

This mount has a very small footprint, seamlessly blending into its surroundings. It's also totally secure thanks to the twin wall brackets located on the main column.

Additional function and control is tailored to your needs through a range of accessories. Standard models have a maximum screen size of 130kg and 86".
